

SUN BEAMS

By WALTER M. BARRETT

It seems that hardly a weekend can pass here without a serious motor accident. Two people have been killed near Truckee and several other mishaps have occurred which might easily have brought about fatal consequences. The fault cannot be with the highway, although it is true we have no protecting white lines down the center, which motorists become accustomed to in other localities. The roads are good and the curves gradual with few exceptions. Officers are vigilant in their efforts to prevent accidents and issue scores of citations to speeders and reckless or careless drivers. The fault then may lie with the operators of the vehicles, many of whom persist in taking unnecessary risks. For that trouble no remedy is known. Examples apparently are insufficient. Traffic tickets become only the base for expensive jokes. Speed and risks are evidently thrills which cannot be foreseen, but which eventually lead to disaster and cannot be curtailed to prevent death and destruction on good highways.

Believe it or not, the Southern Pacific Hotel is getting a new coat of paint whether it needed it or not.

We read recently that if a hunter in pursuit of a buck spots a red cap in the brush there is very little chance it is a deer and were warned not to shoot. There is, of course, danger of being wounded or wounding someone else, but these are very rare occasions and most hunters are careful where their shots are directed. However, there is a greater danger—that of fires. The trees and grass at this season are tinder dry and need very little to ignite them. This danger can be prevented by the hunters if they follow the regulations of the forest service in smoking only in the designated areas and being careful of camp fires.

Truckee's invitation for the the Nevada County school teachers to hold their 1938 institute here was accepted last fall, but now stands declined because, the excuse says, we are not properly equipped to house the visitors. Truckee during winter sports seasons has provided for hundreds, giving them comfortable accommodations with rooms to spare. It no doubt could have been as easily arranged for the teachers but the opportunity was lacking at the last minute and we are sorry indeed to have the teachers disappointed. We are sure they would have found Truckee as cordial as any place selected for them and the welcome equally as hearty.

Return Home—

Mr. and Mrs. William J. Treglown of Nevada City who visited at the home of Mr. and Mrs. Frank Wilson last week have returned to their home, going over with Fabian Joyal who spent the weekend in Nevada City.

In Nevada City—

Mrs. William Fischer was a Nevada City visitor last week.

O'Connor Visits—

Thomas O'Connor, formerly employed at the checking station here and now with the state board of equalization visited here this week.

Federal Man Here—

W. D. Malloy, federal tax expert, well known here, was a visitor in Truckee last week.

Visitor Here—

Mrs. Clara Ocher, former resident of Truckee visited friends here, on Sunday from San Francisco where she is now making her home.

At Flycasting Club—

D. E. Kessler, president of the San Francisco Flycasting Club spent a few days at the club here during last week.

In San Francisco—

E. L. Loynd was a visitor in San Francisco and Oakland this week.

Visit Here—

Mrs. Frank Hanish and Miss Cora Bullard visited at the W. H. Laity home over the weekend.

At Fair—

Mr. and Mrs. Vern Shattuck were among the local folks attending the fair in Sacramento Saturday.

Former Residents Here—

Mr. and Mrs. Dan Stinson of Roseville visited at the F. S. Powell home. They plan to hunt in this vicinity for a week.

Fire Wipes Out Verdi Tavern In Early Blaze

Smaller Buildings Saved By Forest Equipment Last Monday

CAUSE IS NOT KNOWN

Building Was Landmark For Many Years Along Truckee River

The main building at Verdi Glen, just over the state line in Nevada, was destroyed by fire early Monday morning.

The resort, situated on the banks of the Truckee river, had been a popular picnic and recreational center for many years and catered to dinner parties.

The cause of the fire was not immediately known.

Forest service trucks and men, augmented by scores of volunteers and CCC boys kept the flames confined to the main structure and saved a number of small cabins on the property.

PORTOLA SEEKING TO INCORPORATE; PETITION OFFERED

The Plumas County Board of Supervisors will discuss on October 3 a proposal that Portola be incorporated.

A petition requesting incorporation was presented to the board this week by William Macmillan, district attorney.

Portola would become a city of the sixth class if the proposal is carried out.

12,000 VISITORS ARE RECORDED AT U. S. CAMP AT INCLINE

Twelve thousand people have camped or picnicked at the Incline Public camp ground maintained by the Tahoe National Forest on the shore of Lake Tahoe.

These figures are given out by De Witt Nelson, forest supervisor, who states that as many as 2,000 have picnicked on the campground over the weekends.

It was also announced that 750 visitors have signed the register at the State Line lookout point on the Tahoe National Forest. This new station is becoming popular principally because of the fine view obtainable.

LAKE LEVEL TO BE DISCUSSED SOON IN MEETING IN NEVADA

The Lake Tahoe water levels will be discussed in Reno on September 28 in connection with the hearing by United States engineers on flood control proposals for the Truckee river, according to H. F. Droste, secretary for the Lake Tahoe Sierra association. Information concerning measures for Lake Tahoe are being requested from property owners on the lake's shore line. Colonel L. B. Chambers will conduct the hearing.

HOBART ENGINE TO BE USED BY LUMBER FIRM IN LOYALTON

One of the locomotives recently purchased by the Los Angeles Steel and Iron company, in taking over the town of Hobart Mills for salvage, has been sold to the Clover Valley Lumber company at Loyalton and will be used to augment the equipment of that firm. The engine is not a stranger to the workmen at Loyalton, veteran employees there having at one time operated the old machine for the Hobart company.

MIKE PORTERS ARE PARENTS OF NEW SON

Mr. and Mrs. Mike Porter are the parents of a baby son, born at their home here Tuesday morning, September 14. Dr. J. H. Bernard was the attending physician. Both mother and son are reported doing nicely.

Deer Season Opens Tomorrow; Hunters Warned On Fires

Forest Men May Validate Tags In This Area For Hunters

The deer season in this district opens tomorrow.

Deer hunters cooperated in fire protection last year, according to De Witt Nelson, forest supervisor at Nevada City, as shown by the absence of hunter fires. Nelson solicits their continued cooperation this season, asking especially that they restrain the impulse to smoke in areas where smoking is prohibited by regulations.

Forest officers have been authorized to validate deer tags, and among the stations established for the convenience of the hunters where they can have tags validated are Truckee ranger station; state plant quarantine station east of Truckee; Tahoe Public campground, two and a half miles south of Tahoe City; Foresthill Ranger station; Big Bend Ranger station; Goodyear's Bar; Sierraville ranger station and other forest stations throughout the Tahoe National Forest.

Contracts Awarded For Highway Work On Sacramento Road

Small Strip To Be Graded On Donner Summit Under Bid

Contracts for two highway improvements on the Reno-Sacramento highway were let in Sacramento last week by the department of public works.

The contract for grading and surfacing the road between Indian Springs and Rainbow Tavern was let to Lee J. Immel of Berkeley for \$47,291. The distance to be improved is 9 of a mile.

Piazza and Huntley of San Jose were awarded the contract for constructing the approaches to a new grade separation at Colfax for \$46,491.

LOCAL CHIEF'S SISTER WEDS BASEBALL COACH IN SIERRA

Mr. and Mrs. N. F. Dolley attended the wedding of the former's sister, Miss Marjorie Lee Dolley to Joseph Coral at the home of her parents at Sierraville on Monday, September 5.

The nuptial service took place at noon in the attractive garden where a profusion of ferns and other plants enhanced the natural beauty of the setting.

The bride wore a blue costume with matching accessories. Following the luncheon and reception attended by nearly 60 guests, Mr. and Mrs. Coral left for Berkeley. Coral is the assistant baseball coach for the University of California at Los Angeles.

Auburn Ski Club Will Have Three National Meets This Winter

The Auburn Ski Club has been awarded the jumping, slalom and downhill events on the 1939 program of the International Federation of Skiers, it was announced this week by club officials. Wendell T. Robie, Auburn winter sports enthusiast and official of the California Ski association, said the slalom and downhill events will be held at Cisco and the jumping will take place at Treasure Island, scene of the 1939 exposition.

At Cisco crews of workmen under a WPA project are working to create a better course.

Claire Goode Given State Inspection Post In Area

L. G. Garrison of the state department of agriculture was in Truckee this week and was the guest of Claire Goode at the Lions meeting last night. Goode has been appointed hide and brand inspector for the department in this district.

Final Vote Count Fails To Change Any Local Office

Truckee Candidates Divide In Absent Ballots When Count Is Made

STEEL GETS HIGH VOTE

Judge Tuttle Given Big Vote Over Write-in For Office

The Nevada County Board of Supervisors this week ended one of the most lengthy sessions held in a number of years having worked on every legal day since September 1 which was the regular meeting date.

Canvassing of the ballots cast at the primary election and counting the absentee ballots occupied much of the time. No changes of any importance were made in the results of the final tabulation, it was announced.

Candidate C. E. Smith and Ben Tonini for justice of the peace in Meadowlake Township split the absentee votes, each receiving six, while Constable William Botcher polled 15 absent votes and Oscar Schumacher received 6.

Judge Raglan Tuttle, opposed only by a write-in candidate who received a total of 291 votes, was given a complimentary vote of 5773, although County Treasurer and Tax Collector Frank Steel, also unopposed, received the largest number of votes with a total of 6031 and John Nettell, a newcomer in the county family, unopposed for county recorder polled 6263 votes and Assessor John Hammill was given 6223 votes. County Surveyor J. F. O'Connor had a total of 5921 and Mrs. Lila Champion 5653 for public administrator.

Some of the final results announced are as follows:

Justice of the Peace Meadowlake—	
Smith	281
Tonini	249
Constable, Meadowlake Township—	
Botcher	382
Schumacher	210
Superintendent of Schools—	
Carlson	4239
Curneen	1200
Laird	1175
Kent	277
County Clerk—	
Hellings	2937
McCormack	4450
Sheriff—	
Carter	1541
Phelps	812
Tobiasen	5152
District Attorney—	
Cassettari	1792
Sheldon	2790
Stoll	2931
Coroner—	
Hirsch	2200
Holmes	2859
Jefford	2332

DEADLINE TO REGISTER FIXED FOR SEPT. 29TH

Any person who did not vote at either the August primary or the general election two years ago must reregister if they wish to vote on November 8. The deadline for reregistering has been set for September 29.

To register, the prospective voter must be 21 years of age, a citizen of the United States, a resident of California for one year, of the precinct for 40 days preceding the election. Re-registration is also necessary when an elector between the time of his last registration and September 29 has moved from one county to another or from one precinct to another, or has lawfully changed his or her name or wish to change party affiliations.

From San Francisco—

Mrs. Edith Roche from San Francisco is visiting Mr. and Mrs. L. Owens this week.

HOTEL GETS PAINT

Southern Pacific's Truckee Hotel this week is taking on a new appearance as a paint crew piles brush to the exterior. It will be a great asset to the appearance of the main street.

Firemen Make Plans For Annual Dance Here On October 29

Fire Department Will Erect Flag Pole At Station In Truckee

Assistant Chief Tony Pace will be chairman of the committee in charge of the annual dance sponsored by the Truckee Volunteer Fire Department to be held at Masonic Hall on October 29. Pace was appointed to the task by Chief N. F. Dolley at the meeting Tuesday night.

Preceding the dance, the firemen will be hosts to their ladies at an Italian dinner at Moro's.

Plans were also completed Tuesday for installation of a flag pole at the fire station on Commercial Row. It is proposed to install a 40-foot pole at the side of the station.

Teachers' Meet, Set For Truckee To Be Held In Grass Valley

Local Officials Advised Of Last Minute Change Of Plans

After arrangements had been made here to entertain more than 100 Nevada County school teachers, who had accepted the invitation of the Truckee Chamber of Commerce to hold their annual institute here this fall, word was received this week from Mrs. Ella M. Austin, county superintendent of schools, advising Mrs. Lotta Bryant, secretary of the chamber of commerce and G. E. Hoffmann, high school principal, that the institute would be held in Grass Valley.

Local officials were advised that Mrs. Austin had visited here last week and had been unable to find quarters for the teachers during the proposed institute. Mrs. Bryant, who had been making reservations for the guests, was not contacted until after a decision to change the meeting place had been reached.

Truckee's invitation was accepted at the last institute held in the western end of the county.

The institute will be held in Grass Valley September 28, 29 and 30, it was announced here.

SANDERS PARENTS OF BABY DAUGHTER

Mr. and Mrs. Orland Sanders are the parents of a daughter born at St. Mary's Hospital in Reno on Monday, September 12. The little girl has been named Gloria Vern and weighed eight pounds and one ounce. Mrs. Sanders and the infant are reported to be getting along satisfactorily.

MATRON HOSTESS TO GROUP OF FRIENDS AT HOME ON LAKE

Mrs. Jess Muller and Mrs. Aleta Small of Calpine entertained a group of their friends at the summer home of Mr. and Mrs. Jess Muller at Tahoe Vista on Wednesday. A pleasant day was spent at the beautiful lake home and the afternoon was enjoyed about the bridge tables.

Attending were Mesdames Sue Webster, Florence Warren, Win Blackburn, Marilyn McIntosh and Margaret Bank of Calpine; E. C. Murray and A. D. Murray of Hobart; Elta Siebold, George Lazier and Neva Wilson of Truckee; Trace Seymour and Alice Sorenson of Brockway.

Visit in Roseville

Mr. and Mrs. Earl Smith and family spent the weekend in Roseville visiting Mrs. Smith's father, and mother, Mr. and Mrs. E. W. Canady.

Weekend with Mother—

Miss Ida Stewart spent the weekend at the home of her mother, Mrs. Hannah Setwart in Hobart Mills, coming over from Grass Valley where she is attending school.

Car Crash Near Boca Kills One; Three Injured

Mishap Occurred Near Where Bride Was Killed Week Before

DRIVER IS CITED HERE

Railroad Man Fatally Hurt As Car Overturns On Highway

John T. Kimbrough, 30, a resident of Canby, Modoc County, and employed on the Southern Pacific here, was fatally injured Saturday evening near Boca when the car in which he was a passenger, left the road and overturned several times.

The mishap occurred only a short distance this side of the fatal accident a week previously when Mrs. Dolores Elaine Green, 30, a bride of a few hours was killed when the car in which she was riding overturned.

Kimbrough, accompanied by his brother, Truman Kimbrough, Charles Thomas and the driver, Ralph M. Thornton, was en route to Reno when the accident happened. The car left the right side of the road, according to Sergeant C. E. McKeen and Patrolman Arthur Barrick, who investigated and charged Thornton with reckless driving. It narrowly missed colliding with a machine driven by John Pettie of Truckee and careened several times, finally making a complete turn before it went off the grade and upset.

The three companions of the dead man suffered injuries and were removed to the Southern Pacific hospital in San Francisco. All were expected to recover.

Dr. J. H. Bernard was called to render first aid. It was discovered Kimbrough died from a basal fracture of the skull.

The large car, completely wrecked, was towed to Truckee.

Deputy Coroner Ben Tonini was summoned to take charge of the body and make an investigation.

Kimbrough's father, a veteran with the Southern Pacific in Modoc county came here this week to make arrangements for the funeral services.

Scores of Legionnaires Pass Through Truckee En Route To Session

Scores of Legionnaires are passing through Truckee this week en route to the national convention at Los Angeles. They are coming from all states in the Union.

The most impressive delegation thus far was the one from Mississippi which had four large, beautifully decorated floats which they were driving through to the convention city.

LARDI MAKE TRIPS TO COUNTY SEAT TO SECURE LICENSE

GRASS VALLEY, Sept. 14.—It is 20 miles nearer to Reno from Truckee than it is to Nevada City and five days less, but Eugene Iardi and Miss Laverne Ghirard, chose the necessity of making two trips from their home to the Nevada County seat, rather than one to Reno when they wanted to marry.

Last week they came to Nevada City to make declaration of their intention to wed, and yesterday they came for their license.

Back from Fair—

Mr. and Mrs. Frank Brummond and Mrs. Hannah Harvey were Sacramento visitors Sunday and enjoyed the State Fair.

Visit in Standard—

Mrs. A. D. Murray and son, Edwin, of Standard who spent the last week visiting Mr. and Mrs. E. C. Murray at Hobart Mills returned to their home Saturday accompanied by Edwin Murray, Sr., who has spent the summer at Hobart Mills and who will visit at Standard for several weeks.

GET INTO THE SWIM

Nextmonth, a week will be given to informing the public of the hazards of one of man's most destructive enemies—uncontrolled fire. Fire Prevention Week, which has been an annual event ever since it was proclaimed by President Wilson more than two decades ago, will begin October 9th and run through the 15th.

A few vivid figures illustrate the importance of the week. Each year fire destroys about \$300,000,000 worth of property directly—and the indirect loss brings the total to the billion-dollar mark. Worse yet, it kills 10,000 people horribly—an average of 27 each day. This is what carelessness, ignorance and incompetence breeds.

There isn't a hamlet in the country which won't be reached to some extent through Fire Prevention Week activities. And there isn't a citizen in the country who can provide a sound alibi if he fails to absorb some of the simple facts and information that are all that is needed to prevent and control most fires. Governors of the states and other public officials will take part. Insurance companies will issue pamphlets, run advertisements and prepare displays. Fire marshals and chiefs will speak. Every media of communication involving the spoken and printed word will be brought into play in a concentrated national effort to make the week a success.

Believe it or not, fire prevention is fun—even as instruction in fire prevention is nowadays made dramatic and entertaining. It doesn't take much in either time or money. It does pay tremendous dividends. Mark down Fire Prevention on your calendar and get into the swim.

CONSTITUTION DAY

On September 17, 1887, one of the ablest bodies of men ever gathered together in America finished an epochal task—the creation and adoption of a constitution for the American states.

Washington, Madison, Franklin, Hamilton and more than two score others—names that illumine many of the most stirring pages of American history—contributed to the making of that constitution.

That it has survived wars, international and civil, that it proves as adequate for a nation of 130 millions living in a highly industrialized era as it did 151 years ago for an agricultural economy of some four million persons, gives the measure of its breadth, adaptability and vitality.

The American system is based on popular sovereignty, and to this principle the constitution pays homage with its opening affirmation, "We, the people of the United States."

Politically Speaking

by John W. Dunlap
United Press Staff Correspondent

SACRAMENTO, Sept. 15.—(UP)—Political whisperings are growing louder and louder as California's parties get more excited over the state conventions to be held in Sacramento September 15-16.

Without any doubt, interests will center on the Democratic front and the attentions of the many factions within the party to unite on a common platform. Selection of a mutual

ly-agreeable chairman seems the biggest hurdle at this writing, although the explosive \$30 Every-Thursdays pension issue will bring its share of headaches.

Other parties going into executive session are Republican, Progressive, Commonwealth, Socialist, Communist, Townsend and Prohibition.

Some of the major Democratic candidates who were successful in the August primaries held preliminary sessions in Sacramento and Los Angeles to talk over the situation. Culbert Olson, in the governor's race, Sheridan Downey, for United States senate, and Ellis Patterson, for lieutenant governor, are making earnest

In that declaration of the people's sovereignty lies the answer to the survival of the document that is honored today, and the surest guarantee of the continuance of the American form of government, even when social and economic crises and the clamor of alien faiths periodically appear to threaten it.

Constitution Day is an occasion for renewing our faith in the written instrument that has made this democracy great, and a time for renewing our allegiance to the principles of popular sovereignty. Without them, we perish. With them, we go forward to build an ever greater democracy.

will be bombarded with one of the mightiest campaigns California has ever experienced. Big business, real estate interests, chambers of commerce, state employees and school teachers are heading a dual attack against the pension and single tax initiatives. Millions of dollars will go into a common war chest to counteract the headway already made by the promoters of the "ham and egg plan."

Governor Merriam has openly attacked the scheme as "fantastic" and too local to succeed. Many believe the Downey-Olson-Patterson forces will have to select a man who is acceptable to the McAdoo faction to insure a united front. That almost automatically excludes Pierson Hall from consideration, since the former

Tahoe Ramblings

(By SWANEE)

By special request we repeat again the schedule for library hours in the community building. Mondays and Saturdays the hours of 9:30 a. m. to 11:30 a. m. and Wednesdays from 2 p. m. to 4 p. m.

During August 959 books were loaned out, 104 being requested in one day. Mrs. John Metcalf, who has closed her home near the Tavern, gave more books and magazines before departing. Other donors were Mrs. Grace Briggs and Mrs. R. C. Walker. So rapidly are the shelves being filled with book donations that new ones will soon have to be installed to hold them all, according to Mrs. Ann Anderson, the librarian.

Mrs. Florence Topp who has been enjoying the summer vacation at her Tahoe Cedars home, was honored at a farewell dinner on Wednesday night last at the Charles Swanson home in Sunnyside. Guests included Mrs. Topp, Mrs. Dorothy Miller, her houseguest from San Francisco, Mr. and Mrs. James Wilson, Mr. and Mrs. Fred Kohler and Clifford Smith.

Mrs. Topp left early Friday morning for Salinas where she will resume her position as teacher.

Mr. and Mrs. Henry Kanter of San Francisco were guests at the Sunnyside home of Mrs. Laura Westphal and her son, A. R. Westphal over the weekend.

Miss Barbara Corinne Westphal was also a guest over the holiday weekend returning to school on Sunday night with her mother, Mrs. Eleanor Westphal of Berkeley.

The Westphal family returned to

LEASE COMPLETED AS TAHOE CLUB PAYS \$500 ON BUILDING

TAHOE CITY, Sept. 15.— On Friday Mrs. D. H. Worden, accompanied by her special committee, met with Henry F. Droste, president of the Tahoe Community Center in the Geo. Bliss home in Tahoe City. After the necessary signatures were affixed to the 50 year lease offered the Tahoe Women's Club in return for the sum of \$500, the check was delivered to Droste.

The transaction assures the local women's club free rental of the community hall for a period of 50 years, the period of time for which the community center incorporated. On the other hand, the executive committee of the community center is pleased to have another \$500 deducted from the total indebtedness against the building.

Present on the occasion were Mrs. Worden, Mrs. Dianne Grover, secretary of the women's club; Mrs. Northie Pomin, Mrs. C. O. Valentine, Mrs. Ida Simmonds, Mrs. Eleanor Swanson and Mrs. George Bliss, the secretary of the Community Center Club.

their San Francisco home on Tuesday morning closing their Tahoe estate, Westlake for the season.

Mussolini, pet dog of the Bechdols returned to the Tahoe Inn on Monday after having been lost for more than a day, causing the family intense worry.

The Tahoe Women's Club entertained at a bridge on Thursday last in the local community hall, the decline in the lake's population clearly evident as only five tables were filled. Delicious refreshments were served.

Mrs. Gerda Kvistberg of Tahoe Park has been renewing old acquaintances and recalling early day history with old friends during the past week. Mrs. Laura Olson of Concord, a former sourdough neighbor of Mrs. Kvistberg in the Yukon Territory back in 1898 has been her guest along with other members of the family, Pete Holle and family of Washington and Mrs. Bob Dana and two grandchildren.

James Easton, grandson of Capt. and Mrs. Kvistberg, at 18 has already received his graduation papers from the quartermaster rank. We predict an interesting and brilliant career for this former Tahoe lad whose talent toward things nautical has been outstanding.

A record for gardening has been established by Charles Swanson in the Sunnyside gardens of J. T. Clark's estate, Guth-A-Wing. On July 14 Netta Gem potatoes were planted and on August 20 potatoes larger than good sized hen's eggs were taken from the ground.

Mr. and Mrs. James Ferguson and two sons enjoyed several days last

Yanks Disarm Jap Terrorists

At Shanghai, on Aug. 13, first anniversary of the Shanghai fighting, armed men in a Japanese Army car invaded the American Defense Sector and began tearing Chinese flags from Chinese houses and shops, but were disarmed by American marines. One of the invaders, who later admitted he was an "army civilian employee," is shown being hustled into an automobile. The invaders threatened to shoot Gunner Sgt. Milton C. Marvin of San Diego, Cal.

Saved After 4 Days in Bay

Coast guardsmen rescued 18-year-old Holger Nelson of Redwood City, Cal., who is shown above in Alameda County Hospital, after he had clung to a capsized sleep four days in San Francisco Bay. His four companions drowned. Nelson was delicious and semi-conscious when rescued.

week shopping and taking in the State Fair at Sacramento.

Others who attended the fair from Tahoe were Albert Henry, Jr., and Mr. and Mrs. Otto Darlin and son, Larry.

Mr. and Mrs. Fred Kilner have moved right back into their Homewood home after only a comparatively short stay in their lovely new home in the Ridgewood tract. For about a week ago they sold this piece of property which was the show place of the Ridgewood district to Ernest Houdlette, his son and the son's wife of Piedmont. The new owners will take possession soon and plan on extensive improvements which will include a wharf, breakwater and a garage.

Bill Johnson of the Debenediti household has returned to Tahoe following a visit of three days at Vallejo's Admission Day celebration. He is a member of the Native Son's drum and burl corps of the Napa parlor which succeeded in capturing five prizes in one week, the most coveted being the 1938 championship trophy.

With a reverberating blast Tahoe's last passenger train pulled away from Tahoe Tavern on Sunday night taking with it the last visible remind-

er of summer.

Mail from now on leaves Tahoe City post office at 4:30 p. m. by bus but residents are urged to have their outgoing mail in at least 15 minutes before the hour set for the departure.

Almost all local resorts are closed or closing with Ernest Hoerder's popular Pullman lunch car included. While most resorts admit business somewhat below normal, most ledgers show a fairly good season was enjoyed.

Mr. and Mrs. Ray Crist and son, Raymond Fowler Crist, 5th, left on Sunday for home following a week's enjoyable vacation with Major and Mrs. A. P. Crist of Tahoe Pines. This wee grandson of the Crists has a distinguishing start in life, being the fifth generation in the line of Raymond Fowler Crists, four of whom are living.

Mr. and Mrs. Joe Schiro of Tahoe Pines have left for the season, after selling their home on Blackwood creek to L. D. West of Berkeley.

Mrs. J. Charles Harris has returned to her Timberland Tract home which last week she sold to Lou Kennedy, Alameda county tax collector of Oakland who will assume charge of the property around September 15. Ill health prompted sale of her lovely hillside home which boasts one of the prettiest gardens at Tahoe.

Ray Swearingen for whom a summer home was erected by Tahoe Realty company this summer in Lake Forest Unit No. 2 entertained with a stag party over the weekend a group of executives from his insurance firm, including Clyde Edmonson, John Carlson, Charles McGaffigan, Harry Nason, Clarence Lord all of San Francisco, Milton Pinney of Oakland, Walter Tracy of Sacramento and Jack Swearingen.

Mrs. Frank H. Slater visited in San Francisco last week with her children at the home of her mother and father, Mr. and Mrs. Edward H. Clark of San Francisco and New York.

SCHOOL COMPLETED; OTHER NOTES OF INTEREST AT TAHOE

TAHOE CITY, Sept. 15.— Tahoe Lake School's new class room has been completed by Contractor N. R. Mayfield and is now in use. The children from the fifth grade up under Mrs. Myrtle Gallinger are enjoying its much needed accommodation. The school auditorium which all summer has been utilized as a classroom has been sanded and refinished and will be used from now on strictly for entertainment features.

Miss Alice Dyer, assistant elementary teacher enjoyed the distinction last week of being selected as one of the judges at the Sacramento State Fair to pass on the art exhibits of one and two room rural schools whose work was on display. She found the offerings of the Monterey region classes exceptionally outstanding.

On Monday night at 8 p. m. beautiful colored motion pictures of Yosemite and Hawaii were displayed free by Charles Townsend of Tahoe Pines at the local auditorium for the benefit of the children and townspeople. They proved both entertaining and instructive.

Mrs. Gallinger on Saturday morning attended a meeting of the Placer County Board of Education at Auburn at which discussion centered chiefly about elementary and secondary credentials and lifetime diplomas for teachers.

Mrs. Stella Watson is again back at the wheel of her new school bus being sufficiently recovered to assume her regular duties. She is believed to be the only woman in the state to be driving a school bus.

FIRST HUNTING PARTY LEAVES TAHOE TO USE BOW, ARROWS

TAHOE CITY, Sept. 15.— One of the first hunting parties to leave Tahoe for the Hell Hole region was that of Sam Bailey, head of the Pasadena police department's flying squadron, who was accompanied by Mr. and Mrs. Joe Deelschall also of the southern city. Carl Bechdolt, Sr., took the party on Monday into Don Armour's camp at West Meadows by truck via the Rubicon road and returned with a warning for hunters to use another route into that popular hunting ground as the road is in bad condition, remaining unrepaired since washouts of early spring. Bailey a crack rifle shot, is different from most hunters inasmuch as he is armed only with bow and arrows this season, with which he hopes to bring down his bucks. Bailey is remembered in these parts as a member of a group which was marooned by early snow in the Hell Hole region four years ago. A rescue party comprising Carl Bechdolt, Sr., Bob Souther, Bob Skates and others brought them out several days later on horseback. Bailey was just married at the time and was honeymooning at Tahoe Inn. A trio of friends from New York will fly out to the Truckee airport on Thursday and join Bailey's hunting party in the wilds.

CHARLES WINSLOW MARRIES IN RENO; RETURNS TO TAHOE

TAHOE CITY, Sept. 15.— A wedding of interest which took place last Wednesday in Reno was that of Charles S. Winslow of Tahoe Pines to Mrs. Bonare L. Bauer of Palm Springs. Mrs. Winslow has a daughter by a former marriage with her at Tahoe. The couple are living at the bridegroom's home near Cedar Crest.

Mr. Winslow is in charge of razing the old hotel which collapsed with the weight of heavy snow last winter just south of Cedar Crest.

PRUSSO'S CLOSES AT TAHOE AFTER A SUCCESSFUL YEAR

TAHOE CITY, Sept. 15.— Prusso's Forest Inn on Ward Creek enjoyed a lively crowd on Sunday, the closing date for the season. Many expressions of regret because of the early closing were voiced to Mrs. Van Nessa Prusso, gracious hostess of the popular eating emporium, who was assisted throughout the summer by her daughter, Theda.

Mrs. Prusso and children, Theda, Ray, Sherwood and Donnie, accompanied by head waiter, Adolph Marchetti are eagerly awaiting the arrival of Sunday when they will depart for Louisville, Kentucky. There Mr. Prusso has leased a charming old rambling southern home for the winter. A gala family reunion will take place upon their arrival.

Marchetti will continue on to Washington, D. C. and New York, spending several days sightseeing in each city, then embark for Italy where he goes to claim the estate of his late parents and visit relatives.

Primo Ferrari, popular and genial mixologist in the cocktail lounge all summer left on Monday for San Francisco where he will visit indefinitely before going to Palm Springs where a position at one of that desert resorts new clubs has been offered him.

Special data of the damage done by Tahoe's high water mark this summer is being assembled to be presented at a special meeting to be held in Reno on September 28 at which time funds will be sought from the flood control commission for erection of another dam on the little Truckee river. High hopes are being entertained that the proposed second storage dam will receive commendation from government circles.

The boys, who have summered at Tahoe, are returning to school, Charles and Himmie Park going to Choate School in Wallingford, Conn. and Howard returning to Hill School at Pottstown, Penn.

Tahoe's lake level on Tuesday morning stood at 6228.15 with 402 C. S. F. of water leaving the gates at Tahoe City.

Mrs. J. L. Debenedetti Sr., entertained a large house party over the past weekend at the family home in the Sunnyside district. Guests who enjoyed barbecues, croquet, swimming and other diversions were Mrs. Earl Douglas, Mr. and Mrs. Schoening, Mr. and Mrs. Bulotti and daughter all of San Francisco, Miss Elizabeth Donnesburger of Carson Valley, Mrs. Kenneth Walker and Miss C. Upson of Westwood, Mr. and Mrs. Flynn and Mr. and Mrs. T. J. Gidre of Stockton, Judge and Mrs. Hugh Mullen and Mr. and Mrs. Jack Debenedetti Jr., of San Mateo.

"Be strong and of a good courage"

THROUGH the progress of human invention, modes of living have become increasingly luxurious, and today the average person enjoys many comforts that were unheard of a few generations ago. While being grateful for every progressive step that lessens drudgery and reduces hardship, we need to watch lest the enjoyment of material comforts renders us unfit to face difficulties. One need only look around him at the state of human affairs in many countries, to realize that humanity has a great need for moral courage today.

There is a vast difference between genuine courage and a stoical submission without complaint to wrong conditions which are believed to be unavoidable. True courage or fearlessness belongs by right of spiritual inheritance to all the children of God. Divine Love is an inexhaustible fountain of good, from which one can draw an endless supply of courage, patience, endurance, tolerance, and tenderness, whenever it is needed to use these qualities. The spiritual strength supplied by omnipotent Love can be realized and proved in our daily experience.

In encouraging Joshua and the children of Israel, who were soon to pass over Jordan to take possession of the land of promise, their great leader, Moses, said (Deuteronomy 31:6), "Be strong and of a good courage, fear not, nor be afraid. . . for the Lord thy God, he is that doth go with thee; he will not fail thee, nor forsake thee." How often we need to be reminded of this spiritual fact, when approaching some new and untried experience, or when fear and discouragement try to rob us of the fruit of our labor! It is our certainty of divine Love's ever-present ability to protect and guide which endows us with courage and spiritual endurance.

"But how can such certainty be gained," asks one, "when on every side there seem to be danger and discord?" . . . In "Science and Health with Key to the Scriptures" Mary Baker Eddy says (p. 228): "There is no power apart from God. Omnipotence has all-power, and to acknowledge any other power is to dishonor God." This spiritual fact, when understood and applied, enables us to

face any difficulty, and teaches us how to solve our problems.

Discouragement is a mental state produced by believing that there is a power opposed to God, and that this power, named devil or evil, can frustrate God, good. Perhaps we may be listening to arguments of evil which seem to whisper, "You are sick; you are poor, lonely, miserable, unwanted." And the more we listen, the louder these arguments seem to talk, until we become mesmerized by them, and self-pity clouds our mental horizon. Even a glimpse of spiritual reality will aid in breaking such mesmerism. How often a thought of gratitude destroys the gloom of discouragement, for gratitude is an acknowledgment of the reality of good. If we continue to be grateful, we shall find that other spiritual restoratives will come to our aid, and we shall regain our courage; for it is not a personal characteristic, but a spiritual quality to be claimed and utilized by each and all.

Mrs. Eddy also writes (ibid., p. 514): "Moral courage is the lion of the tribe of Judah, the king of the mental realm. Free and fearless it roams in the forest. Undisturbed it lies in the open field, or rests in 'green pastures,' . . . beside the still waters." Moral courage is free and fearless because it is inspired by the understanding of spiritual reality. It is undisturbed, whether in the forest, in the open field, or "beside the still waters" of peace and contentment. This spiritual courage proceeds from trust in the infinite ability of God to guide and guard His children, and from a deeper understanding of the obedience which acknowledges His will as supreme.

The scientific revelation of creation, as given in the first chapter of Genesis, declares God to be the only creator, and proclaims the inspired truth regarding man, the image and likeness of God, divine Mind, namely, that he is endowed with dominion "over all the earth" (Genesis 1:26). Our demonstration of these spiritual truths depends on the measure of our obedience to the First Commandment (Exodus 20:3), "Thou shalt have no other gods before me," which is the basis of moral and spiritual law. The understanding and demonstration of this spiritual requirement overcomes fear, discouragement, and impatience, and brings us into our heritage of spiritual dominion.—The Christian Science Monitor.

Harry Constock, president of the Tahoe Sierra association was chairman of the special meeting held at Globin's Al Tahoe on Monday at 11 at which time plans for an extensive Tahoe advertising campaign were discussed. George Kehlet and Al Richardson were appointed a committee of two to determine the most effective methods to be utilized. Consideration is being given a plan by Tahoe which will be given an exhibit in conjunction with a major traveling bureau. At noon a delightful barbecue luncheon was served to the 65 attending.

ELECTION BOOKLETS COMPRISE LARGE PRINTING ORDER

SACRAMENTO, Sept. 15.—(UP)—Believed to be the biggest printing job ever undertaken west of Chicago, the booklet of constitutional amendments for the November election is being printed at top speed in the state printing office.

Thirty-seven railroad carloads of white newsprint is required for the tremendous job of printing the 128 page booklets. The magnitude of the job is larger than the Los Angeles telephone directory, usually cited as the peak of western printing volume.

State Printer George Moore is working three crews day and night to get the books into the hands of the county clerks in time for mailing to every one of the expected three and a half million registered voters before the November election. The clerks mail the booklets in each county.

The chief difficulty confronting Moore was getting final confirmation of what to include in the book. The state supreme court had three important measures under consideration—the \$30-a-year pension initiative, the labor anti-picketing measure and the single tax—and waited until the day after August 30 primarily to hand down a decision.

Moore warned the court that he must have the text of the book or the job could not be finished in time. In the early days of California, printing the election booklet was a comparatively easy task. The registration was small and measures to be voted on were few. But all this has changed in the last decade. The booklet contained only 68 pages in 1932, jumped to 96 in 1934 and in 1936, and set an all-time high this year with 128 pages.

To print this pamphlet, 10 presses are thundering day and night to make the 12,000,000 impression necessary. Fifty pressmen tend the presses, 150 more employees are in the bindery and other workers at the state shop are involved indirectly in the mammoth task. The shop, occupying an entire building near the capitol, is the largest west of Chicago.

The booklet contains arguments for and against each of the measures that appear on the ballot, the entire title, and complete text on the proposition.

WORKMEN WARNED THAT SHASTA DAM JOBS ARE NOT OPEN

SACRAMENTO, Sept. 15.—(UP)—Unemployed workers were warned against going to the site of Shasta dam near Redding as federal bureau of reclamation officials gave the go ahead signal for the start of actual construction work on the second largest dam in the world.

It will probably be several months after the start of construction before large-scale employment will be possible by Pacific Constructors, Inc., the syndicate of 12 firms which won the coveted \$35,000,000 contract.

Walker R. Young, supervising engineer of the Central Valley project, said the contractors expect to rush work immediately, although a month is permitted to begin operations. A preliminary crew of 140 men has been working on roads and other improvements. Peak employment will not be reached for two years.

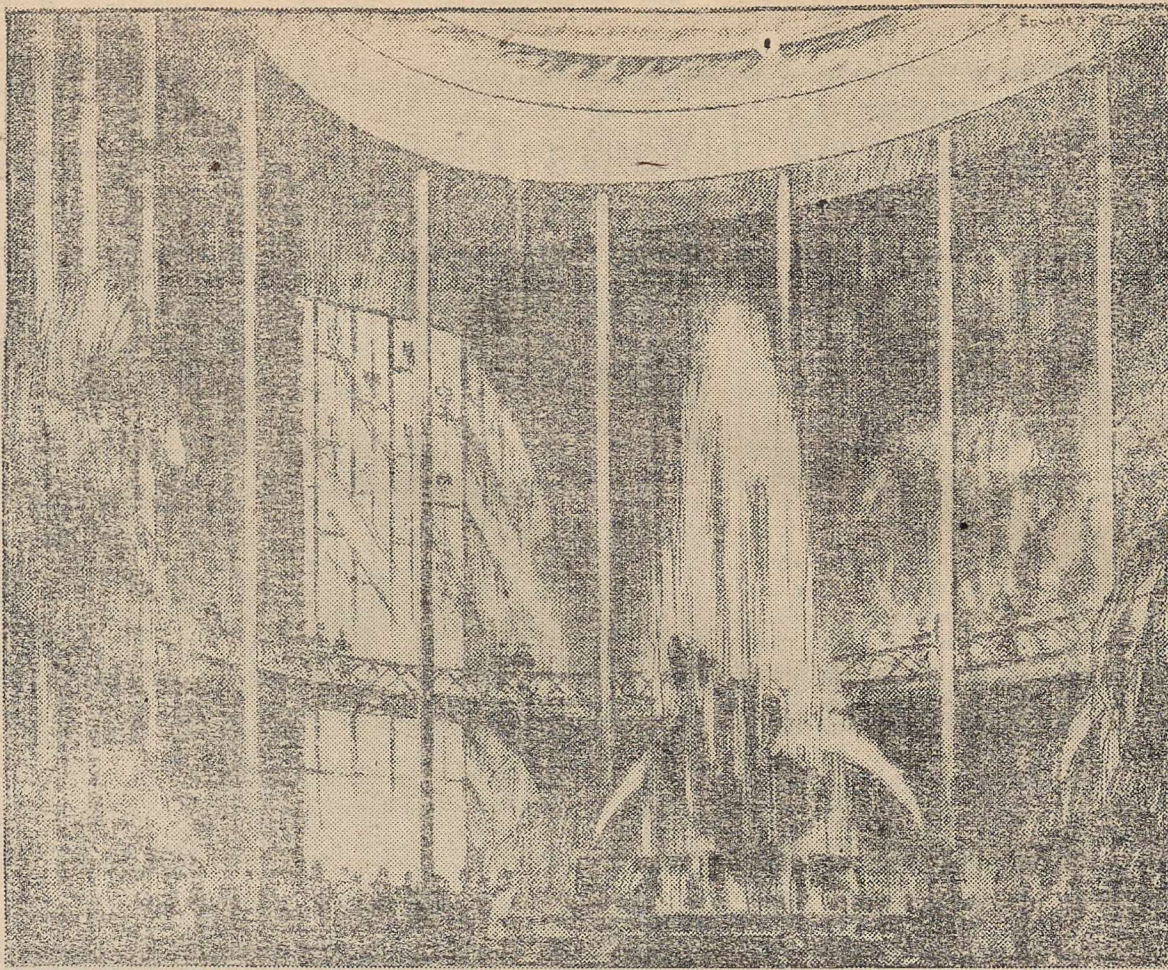

The dam and power station will rival Boulder Dam in Nevada and Grand Coulee on the Columbia river. The California structure will be 500 feet high, seven feet higher than Grand Coulee and second only to 727 foot Boulder Dam.

DEER SEASON WILL OPEN HERE ON 16TH GAME OFFICIALS SAY

SACRAMENTO, Sept. 15.—(UP)—State fish and game officers, apprehensive because of confusion regarding opening date of the 1938 fall deer season, have requested all hunters to make certain they have the correct date in mind.

The present season closes September 15. The second or fall season, affecting 23 counties and portions of six others, opens September 16.

COURT OF HOST CITY BUILDING '39

Presented today by the California State Commission is the above first view of the attractive interior court of San Francisco's Host City Building on Treasure Island for 1939. Designed by Clarence Tantau, the interiors provide facilities for gracious entertaining in the manner traditional with the warm hospitality of California and the City by the Golden Gate. The portals will swing open at 10 A. M. February 18th next.

JAIL FOR SALE AT DAVIS AS AUCTION BRINGS CITY \$17.50

DAVIS, Sept. 15.—(UP)—If anybody wants to buy a good jail—cheap—W. E. Lloyd of Davis is open for suggestions. Lloyd, a contractor, was highest bidder when the city of Davis auctioned off the outmoded bastille. Bidding started at \$5 and Lloyd got the final hammer with an offer of \$17.50.

When the new jail was completed the old jail was discarded and the structure was bought by Lloyd for salvage.

BOND PROCEEDS TO BE USED AS AID TO UNEMPLOYED HERE

SACRAMENTO, Sept. 15.—(UP)—Proceeds from the sale of \$2,000,000 of registered warrants will be used for unemployment relief, State Controller Harry B. Riley announced. The Bank of America bought the warrants for par plus a premium of \$4,861.40. The warrants will bear two per cent interest.

RETAIL SALES FOR PERIOD SHOW 15 PER CENT DECREASE

SACRAMENTO, Sept. 15.—(UP)—Retail sales of California independent stores showed a decrease of 15 per cent in dollar volume during July, 1938, compared with the same month a year ago, a report of the department of commerce on file here revealed.

No city over 25,000 population recorded an increase, while changes from the previous year's comparable period ranged down to 44 per cent loss. Sales in cities with population 10,000 to 25,000 showed the smallest losses, with an average decrease of 14 1/2 per cent.

SIGNS ARE ISSUED TO SHOW WORKERS RIGHTS TO RESERVE

SACRAMENTO, Sept. 15.—(UP)—California employers subject to the unemployment reserves act have been given notices of registration for posting in their business establish-

BEER SALES DOWN AS LIQUOR TAXES IN STATE SLUMP

SACRAMENTO, Sept. 15.—(UP)—A decline in beer sales last month was the principal reason for a 15 per cent decrease in returns from state beer and wine assessments for the period, chairman of the board of equalization Richard E. Collins reported.

Collections totaled \$184,479, or \$32,504 less than the corresponding figure for the same month a year ago.

ments, the department of employment announced.

The notices certify that workers of the establishment may be entitled to unemployment compensation should they lose their jobs.

Department officials said the notices were supplied in connection with a drive to register all employers subject to terms of the act, particularly those hiring from four to seven persons.

ROSEVILLE TICKET SALES CHAIRMAN FOR FETE NAMED

ROSEVILLE, Sept. 15.—E. E. Barber has been named manager of the advance ticket sales campaign of the Placer County Fair, horse show and rodeo scheduled for September 30, October 1 and 2. The advance ticket sales are for the big cowboy dance scheduled for Saturday night, October 1 and the campaign is put on through out the county, Barber said.

REAL ESTATE MEN OPENLY OPPOSED TO PENSION PLAN

SACRAMENTO, Sept. 15.—(UP)—The California Real Estate Association has formally recorded its opposition to initiatives seeking to establish a single tax on land and to provide for a \$30 every Thursday pension.

Regarding the pension idea, the association stated:

"The adoption of the proposed pension plan would still further remove the point in time when some acceptable and workable plan for security for the aged might be intelligently worked out on a uniform national basis, which in our judgment is the only economically sound approach by which we may ultimately provide permanent security for our aged citizens."

HIGH LICENSE FIXED FOR BEAUTY SCHOOLS

REDDING, Sept. 15.—(UP)—If you have any idea of establishing a school of cosmetology in Redding, better raise \$1,000 as a starter.

The city council voted that amount as the cost of a yearly license for operators of beauty schools.

U. S. district attorney fought McAdoo fiercely as Downey's campaign manager and took a leading part in attacking the elderly senator on Ku Klux Klan charges.

Judge Robert W. Kenny, nominated for the state senate, has been mentioned, also J. Frank Burke, Southern California manager for Olson who has been identified with radio-newspaper interests.

The battle for the chairmanship, now held by Argyle Campbell of Monterey, may precipitate an open fight on the floor of the convention, always noted for its fireworks. Again it may be ironed out in a hotel room beforehand. It is safe to assume, however, that conservative Democrats will "view with alarm" the undoubted liberal trend the party is taking, as evidenced by its Olson-Downey-Patterson slate. These conservatives will not be steamrollered without a fight.

Justus Creamer, head of the Republican forces, promises a quiet session, with nearly all elements of the party apparently behind Governor Merriam. George J. Hatfield, lieutenant at governor who fought for the nomination, pledged his support after the primaries.

A similar display of party solidarity was made by Bancroft and Riley in pledging support to each other when the count was so close.

The progressives are somewhat torn up internally after the attempt of Olson to crowd Raymond L. Haight out of his Progressive nomination. The other parties are relatively unimportant and are expected to do little but perfect their state organizations.

'U' of California Sophs Heckle Freshmen

It's a custom known as Freshman Day at the University of California, when sophomores attempt some plain and fancy heckling of the luckless frosh. But this year the freshmen proved to be a doughty lot, as shown above, and gave their older brothers a good stiff battle. Part of the custom is for Sigma Chi Indians to run amuck and heckle the coeds. The Sigma Chi "braves" called it a day after carrying off Jane Jackson, a freshman (right), in their dryland canoe to be the "Sweetheart of Sigma Chi."

Telephone Operators Are Wanted To Take State Examinations For Jobs

SACRAMENTO, Sept. 15.—(UP)—Examinations to fill vacancies in the position of telephone operator and information clerk will be held by the state personnel board on October 1, Louis J. Kroeger, executive officer, announced.

The tests will be conducted at San Francisco, Los Angeles, San Diego, Fresno and Sacramento.

Requirements are a high school education and one year experience operating multiple switchboard, or the equivalent. Age limits are 21 to 40 years and the entrance salary of \$100 may be increased \$10 annually until the maximum of \$140 has been reached.

HUGE VOLUME OF BUYING DONE FOR STATE EACH YEAR

SACRAMENTO, Sept. 15.—(UP)—When you begrudge the cost of potatoes the next time you visit the store, pity the state of California having to buy 6,000,000 pounds per year to feed the total of 34,741 persons housed in state institutions.

Buying those 60,000 hundred-pound sacks of potatoes is just one of the manifold tasks of the state purchasing department. When the division was first organized in 1915 the total volume of buying for the first two years was \$8,320,385. The addition of the division of highways in 1926 jumped the figure to \$18,027,635 during the next two years. By 1930, the total was up to \$24,377,983.

The recent addition of such state agencies as the sales tax department, department of employment, unemployment reserves and a large growth in the population of the state institutions pushed the buying to a peak figure of \$36,815,650 during the two years which closed in June.

And just look at a few items required each year to serve three meals daily to the state governed population:

Potatoes, 100 pound sacks, 6,000,000 pounds.
Sugar, 100 pound sacks, 1,700,000 pounds.
Flour, 200 pound barrels, 7,000,000 pounds.

Fresh beef, 4,100,000 pounds.
Coffee, 415,000 pounds.
Butter, 625,000 pounds.
Rice, 290,000 pounds.
Macaroni, 360,000 pounds.
Canned vegetables, 8,000 dozen.
Canned fruits, 6,000 dozen.

Fuel oil (42 gallons to barrel) 13,035,624 gallons.

The population of the institutions in 1928 was 17,410 and prisons, 6,066, totalling 23,476. The population this June was 26,866 in institutions and 7,875 in prisons for a total of 34,741.

All state relief administration purchases are now handled by the state agency, including building materials, food, clothing an equipment for all labor camps operated by SRA, and millions of yards of drygoods for sewing projects.

The variety in purchases is indicated by locomotives for the state prison at Folsom and the Belt Line rail way for the state labor commission of San Francisco.

The state fish and game commission needs such items as quail eggs, trout eggs, pheasant eggs, row boats and ocean-going vessels, the last one now under construction costing \$143,066.

The department of motor vehicles requires radio broadcasting systems materials and receiving sets for the

Nearly 4,000 In County Benefit From State's Unemployment Fund

SACRAMENTO, Sept. 15.—(UP)—Unemployment compensation distributed during July totaled \$2,350,884. 27 Executive Director Carl L. Hyde of the state department of employment reported.

Nevada County received a total of \$47,372.76 representing 3,975 checks since January 1.

Since January 1, 1938, Hyde said claims numbered 359,460, of which 86,725 were found to be non-payable under terms of the California unemployment reserve act. In addition 74,789 persons exhausted their benefit quotas for the year in which they filed and will not be eligible for further compensation until 52 weeks succeeding the date of their first checks.

California highway patrol cars. Many tons of steel rails are bought for the electric system on the San Francisco-Oakland bay bridge. Office supplies constitute a large expense while hundreds of state automobiles are bought and maintained yearly.

Fred Misphey is head of the purchasing department, working directly under State Director of Finance A. E. Stockburger.

DOVE SEASON OVER STATE BRINGING HUNTERS LIMITS

SACRAMENTO, Sept. 15.—(UP)—Airplane for the first time in California's fire fighting history played an important part in suppressing flames in the state's national forests this season, regional forester S. B. Show revealed.

"At the height of the battle in the Klamath and Trinity national forests as many as five airplanes were used daily to carry tons of food which observers dropped to hungry firefighters," the forester said.

Planes equipped with two way radio sets were in constant use, reconnoitering large fires and locating freshly started blazes when lookout men were handicapped by poor visibility because of thick smoke.

Airplanes Used To Fight Forest Fires This Year For First Time in History

SACRAMENTO, Sept. 15.—(UP)—The 1938 California dove hunting season is well under way with excellent shooting reported from the 30 odd counties in which the birds flourish. The season began September 1 and closes October 15.

Legal shooting hours this season are from 7 a. m. until sunset. Bag limits of 15 a day and 30 a calendar week prevail, as does the possession limit of 15 birds during any day.

COOKING TEACHER SAYS

MEAT OFFERS MORE VARIETY AND IS MORE SATISFYING THAN ANY OTHER FOOD. TRY THIS TASTY HAM RECIPE

BAKED HALF HAM

Place fat side up, on rack in open roasting pan. Bake in slow oven (300° F.), allowing 30 minutes per pound. (Ham, specially processed, require shorter cooking time.) Forty minutes before done, take off rack. Pour strained honey over ham and finish baking.

NORDEN

By C. W. KRAMER

With the California State Fair and exposition now closed with it an all time attendance record on file will give to the many residents of this community who were in attendance an opportunity to relax and wonder where all the people come from. The show this year in the opinion of many far exceeds former fairs and great plans are announced for even a greater fair in 1939 when it will

CITY NEWS IN BRIEF

Things You and Your Friends Do

Weekend Here—

Leroy Wilson spent the weekend in Truckee from Sierraville where he is employed.

In Sierra City—

Mr. and Mrs. Frank Brummond enjoyed gathering wild plums at Sierra City one day last week.

Returns Home—

County Supervisor Alex Robertson has returned home after attending a long session of the board of supervisors in Nevada City.

also be Sacramento's centennial celebration. The school exhibits of Placer and Nevada Counties and their resources were in for their share of compliments and we hope that this part of the county will be represented in 1939. We have much that the great multitude should learn and realize that we are part of this great state.

James Flickinger has resumed his studies while Miss Beatrice Flickinger has returned to her place of employment for the state department at Sacramento.

Mrs. Chester Rowe has returned to Sacramento with her sons, Halford and Charles who are back in school. August Awischus has been busy this week with his labor and union lodge activities.

Great strides have been made toward the completion of the home already under construction in this vicinity with foundations for more cabins under construction. New lumber is being placed on the ground this week.

George Backrich and family with a party of friends motored to Truckee on business.

Mrs. Ethel Threlkel of Summit, a teacher of the Norden summer elementary school has returned from the teachers' institute held about this season of the year and reports a

Returns Home—

George Carter who has been vacationing at Donner Lake has returned to Grass Valley.

Woodland Man Hero—

C. Don Huff of Woodland was in Truckee on Tuesday en route to Homeewood where he looked after property interests.

To Return—

Mrs. W. F. Wilkie will return from a visit to San Francisco the first of the week.

Former Residents Here—

Mr. and Mrs. W. S. Rogers and family of San Francisco, former local residents, were visiting among friends here recently.

In Capital—

Mrs. E. J. Campbell and son Colin visited in Sacramento and Roseville last week.

To Junior College—

Mrs. J. Zorich and son, George, went to Sacramento on Monday. The latter has enrolled in the junior college there. Mrs. Zorich continued on to Modesto for a brief visit with her daughter, Mrs. Paul Seeley. Mr. and Mrs. Seeley will leave on the streamliner on Friday for Detroit and will motor hom in a new car.

fine attendance.

Mrs. C. W. Kramer accompanied by her daughter Virginia and son, Billy, have returned to Sacramento to resume school activities.

Mr. and Mrs. Clarence Troxel and Mr. and Mrs. A. D. Myrick of Norden fire train, attended the last hours of the state fair.

Louis Featsent and a party of friends are busily engaged in getting their deer hunting paraphernalia in readiness for the opening of the deer season this weekend.

Enjoy Fishing—

Mrs. M. B. Jones and Mrs. Mary Roquette enjoyed a few days fishing at Blue Lake over the holiday

The Next Meeting—

of the Truckee Chamber of Commerce will be held at the California Cafe on Monday, September 19.
